Sebastian Whyte

Producer/Director

Overview & Experience

I am an award-winning director, editor, and producer with over 20 years of experience in film, television, and advertising. I have created projects for Sony, Vodafone, A+E Network, NHS, World Health Organisation and Peaky Blinders. In 2022, I directed the feature documentary JUST JOKES (Dave, UKTV) followed by the documentary series Black on Screen (Drama Channel, UKTV). This year I am directing a SKY Cinema documentary hosted by Naomie Harris, with several other projects in development.

I aspire to move into narrative-driven long-form television (HETV, Drama).
